

PE and Sport Premium
St Saviour's Primary School 2018-19

Our Vision

We, at St. Saviour's Primary School, endeavour to maintain a community of happy, confident, motivated lifelong learners. We want our children to be successful, motivated citizens who value, not only themselves but each other too. The nurture of 'challenge' enables all to be the very best they can be in all areas of the curriculum and school life.

Rationale

It is our strong belief that engagement in a range of physical activities will enable the children to truly discover not only their inner strengths but also challenge their misconceptions and simply enjoy the feeling of well-being that is associated with such activities.

Through our provision we aim to:

- Foster a love for and enjoyment of being active.
- Develop 'fitness for life' through promoting the health benefits of regular exercise.
- Identify talents.
- Develop self-esteem, confidence and social skills.
- Contribute to the physical development of each child.
- Give children a way of expressing themselves and an opportunity to be creative.
- Develop a range of skills that can be applied in other contexts.
- Give children the opportunity to try out activities that they would not otherwise have access to.

PE and Sport premium 2018/19

The yearly grant from the government has enabled us to continue to deliver high quality PE and sports. This grant will be used to purchase new equipment to include specialist equipment for children with special educational needs as well as engage high quality sports leaders for after school clubs.

Tower Hamlets Sport

Whilst the THYSF has ceased to exist, provision is to be made to engage the children of Tower Hamlets in competitive sport. This is still in its development stage however. To further our children's participation we have been working alongside the Poplar Partnership schools to organise inter school competitions for both KS1 and KS2.

So far, this year, we have been able to take part in a locally organised football competition for our Years 5 and 6, both boys and girls.

Swimming

We now swim at the newly opened Poplar Baths, Years 3-6 attend on a Tuesday afternoon, each class enjoys a term and a half of swimming.

All children are expected to attend and when there are subdivided into 5 groups depending on ability and water confidence. Our Years 5 and 3 are attending for the Autumn and Spring 1 terms, Years 6 and 4 will attend for the Spring 2 and Summer term.

In our Year 3 class of 29, we have, 5 children who have attained the 25m swim and 25 who are considered water safe.

In our Year 5 class of 29, we have 19 who have achieved 25m (or more) and 29 who are considered water safe.

PE and Sport Premium Grant 2018 - 2019

The grant for the coming academic year will be spent in the following ways:

- Equipment/sports leader cover/after school clubs - £6 000
- Swimming venues and lessons £5 250
- Medals for representation £200

Measuring the Impact

- Lesson observations/monitoring
- Pupil evaluations/feedback
- Measurement of skills/levels attained (swimming)
- Assessment of skills at the end of each term.
