

**Amazing grace;
Great is your faithfulness;**

Dear Families,

WOW! A wonderful week having all the children back, hearing and seeing them learn and play is utter joy! Erased are any thoughts of loss or disadvantage that you hear in the media to be replaced by a resilience, hope and love that is refreshing and soul nourishing. Thank you, for all the teaching and learning you supported with during lockdown, thank you for the faith and confidence in the return.

The tutoring is delayed until Tuesday due to starting issues and passwords, if your child has been identified as being on it please make sure you have taken the appropriate digital steps.

Science week literally went off with a bang! Or lots of BANGS!!! Curtesy of Mr Ali, we had explosions in school, on the playground that shot straight up to the sky! Please see the next page to look at all of the photos!

Enjoy a lovely and safe weekend and see you all on Monday!]

Mrs Smith

Well done to all of our Stars of the Week!

RED NOSE DAY IS BACK

Red Nose Day is back on 19th March and this year it's never felt more important to have some fun and raise money to support people living incredibly tough lives. We need the power of fun to turn smiles into lasting change.

If you would like to wear a red item of clothing with your school uniform and bring a red nose in please feel free! We will be collecting voluntary donations on the gates with our buckets!

Virtual Library

Are you looking for a new book to enjoy at home? *The Unlikely Adventures of Mabel Jones* by our author of the week Will Mabbitt, illustrated by Ross Collins, is available below for FREE! [Click here!](#)

There's also a fun video with Will, a Q&A all about reading, children's books recommendations and fun activities to download!

Happy Birthday

Zuzanna	10 Mar 2011	5
Ethan	11 Mar 2011	5
Grey	12 Mar 2013	3
Malik	13 Mar 2010	6
Micaiah	19 Mar 2015	1
George	23 Mar 2015	1
Jaciara	24 Mar 2014	2
Oscar	27 Mar 2016	Reception
Amy	27 Mar 2010	6

This week we celebrated International Woman's Day in school!

HERE'S TO STRONG WOMEN!
May we know them
MAY WE BE THEM!
May we RAISE them.

This week we have been celebrating 'British Science Week'; the children have had lots of fun learning opportunities and experiences in science.

All classes undertook scientific investigations on Monday, where they have been working scientifically. Tuesday saw us take Science outside the classroom and into the school grounds. On Wednesday, all of the children had some fun in Science with Mr Ali where we looked at forces in making balloon rockets as well as some chemical reactions in propelling Diet coke all over the playground. The children have learnt about and wrote biographies and fact-files for some famous scientists such as: Barbara Block, Jess French, George Washington Carver, Pierre Fauchard, Brendan Walker and Charles Darwin. To end this enjoyable and fun week the children have been doing some fantastic art in science.

The Poster competition, was for every child to draw a poster of their favourite scientist and tell me about their most famous discovery/invention. They could be of one of the scientist listed above or a scientist that they had researched themselves. The response was overwhelming, we had over 100 entries, so choosing the winners was no easy task, but thank you all for your efforts as they truly were fantastic. Science week has been a great success this year and let's hope next year is even better.

Thank you for your continued support of your children's learning in science.

Mr Ali
