

Dear Families,

This week we have been carrying out summer assessments to see how much the children have learnt and to inform us of their progress in time for reports by the end of summer. A little later than our usual time to allow for more in school teaching. Reports will be in the second half of the summer term where you will have an opportunity to meet and discuss your child's progress and next steps.

Sadly, for the second time only since the pandemic we have had to close a bubble under the guidance of Public Health. The disruption to routine is certainly not welcomed by anyone, young or old and especially poor Mr Lawson who has to isolate when he should be at the birth of his second child. Our thoughts are with him and his family along with the inconvenience and disruption it causes to the children. Once again google classroom is the way of teaching and learning.

Although the number of cases have dropped overall there is still surge and door to door testing in the borough due to new variants so as there is greater easing we would urge caution. For up to date information locally and post code checker please click here For those of you who may have reservations about aspects of vaccination or testing please read this helpful myth busting guide. There is still fear and mistrust to dispel so do read this helpful bbc guide Our COVID secure measures continue with daily handwashing coming in and out of school, play and lunch, staying in the same bubbles and twice weekly testing for all staff and visitors to mention but a few. We will continue to keep visitors to a minimum, and allow them only based on children's needs.

Inset Days

Please note that there is no longer an inset day on the 7th June. This was replaced with our inset day on the 7th May.

Thank you:)

Happy Birthday

| Kai | 28 th | Reception |
| Keira | 29 th | Yr4 |
| Jayden | 30 th | Nursery |
| Lois | 30 th | Yr3 |

Finally, in all this turmoil, we welcome back Rev Jane and her team as we re-instate our much missed weekly church led assemblies for older pupils. Assemblies were online during the closures and we managed to get in our Christingle and Passiontide service in school so now we gain a little more of life as we knew it.

Have a safe and restful weekend,

WELL DONE TO ALL OF OUR STARS OF THE WEEK!
