

**Caring for others**

~ Jesus the Good Shepherd~

Dear Families,

What wonderful weather we have had! It has enabled all of our lovely flowers to blossom along with the children. Our Gardener Cassie from 'Grow your own playground' has returned along with our gardening classes. We believe that outdoor learning is part of our core offer and what makes our school special. From forest school in the Nursery to growing your own fruit and vegetables. We have taken every lesson outdoors from phonics, reading, art, science and many more. We hope you enjoy some of the photographs of the flowers that the children have planted. They will be coming to you. See if you can name a few...

We will try and see if we can increase our access of gardening for families, so if you would like to be involved in gardening in the school grounds, please get in touch with Miss Williams by the end of next week.

Have a lovely weekend. Keep safe.

Mrs Smith

**Safety around the perimeter of the school**

An update for you regarding the school streets initiative- which is a London wide strategy to make streets around school safer.

We now have the first draft of potential concepts to make the streets around the school safer. Please support us by clicking and filling in this survey, which is the greater consultation on what is possible.

<https://talk.towerhamlets.gov.uk/schoolstreets>

Once we are able to share any drawings and options we will do so. But action is on its way!

**Reminder**

We are being used as a Polling Station for the Mayor of London and Assembly Elections. As a result, we will close for a deep clean on Friday. All learning will be provided in a learning pack for your children.

We apologise for any inconvenience caused.

Don't forget Monday 3rd is a Bank Holiday so we are shut then too.

**Happy Birthday**

Elayna	3 <sup>rd</sup>	Yr6

**Operation Encompass**

Supporting children and young people exposed to domestic abuse

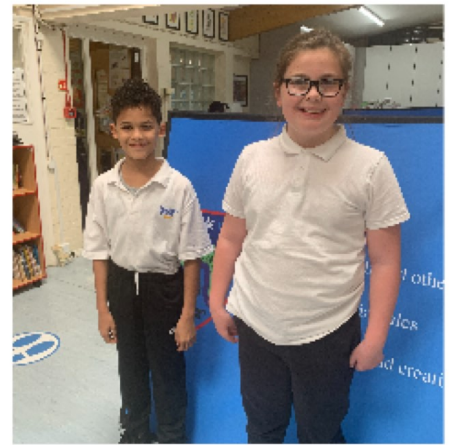

**Operation Encompass**

The school has been given the opportunity to take part in a project that will run jointly between schools and the Metropolitan Police.

Operation Encompass is the reporting to schools, prior to the start of the next school day, when a child or a young person has been exposed to, or involved in, any domestic incident.

Operation Encompass will ensure that a member of the school staff, known as a Dedicated Safeguarding Lead is trained to allow them to liaise with the police and to use the information that has been shared, in confidence, while ensuring that the school is able to make provision for possible difficulties experienced by children, or their families, who have been involved in, or exposed to a domestic abuse incident.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved.

Well done to all of our stars of the week!
