

Inclusivity

God's kingdom grows from small to big, everyone is welcome to join.

Dear Families,

An excellent week where you get to do what you believe in as a school. This was exemplified by being able to work in partnership with others, this time the Poplar Harca Housing Association, Letta teaching alliance and the Isle of Dogs Community Foundation to connect communities digitally.

This means that families were able to pick up a chrome book for life along with Harca being able to work with companies to wire superfast broadband, free for a year! We were blown away by their generosity. School will need to contribute only £100 to £200 per chrome book so we will be coming back with our fundraising and I know that your generosity will prevail along with companies we work with to support the scheme.

This does mean the we can slowly bridge the digital divide that separates some people from having access to learning and broader opportunities. It was indeed a joyous day and week!

We welcomed the Director of the Council Mr James Thomas to the school, so that he could hear about all the things that make us special as a school and next week we look to welcoming the Director of Education too!

We are currently reviewing our policies on homework, uniform and others, we have asked the children and staff and not it is your turn. Please take 3 minutes to complete this survey if you would like a say on these matters and want to give us feedback. <https://forms.gle/oUxyFnYta57hS7yP9>

Wishing you a lovely and safe weekend, Mrs Smith

Raffle tickets are now on sale from Monday 21st June we will be at all the school gates collecting your money! Good luck!

Summer Hampers donations

Summer is on its way! Well we hope so. As we are all aware, we would have loved to have a school fair but unfortunately, this is not possible. We are trying to make it as fun as possible to raise money for the school. Therefore, we are asking families, if they could donate one item per child from their classes from the list below to make up hampers for prizes.

Nursery & Reception - Chocolates – *We are asking for the donations to kept on hold, due to the hot weather conditions, a text will be sent when you need to start bringing them back in!- Thank you*

Years 1 & 2 – Bags of Sweets

Years 3 & 4 – Cakes & Biscuits

Years 5 & 6 – Drinks (non- alcoholic or alcoholic)

Please could these items be given to your child. We would like these items to bring into school starting from Monday 7th June.

Your Faith Your Health

– Supporting the Black African & Caribbean community with Covid-19 vaccines

Thursday 24 June, 6-8pm

Tower Hamlets Council will be hosting a free online event on the 24th June at 6-8pm – open to all residents, particularly those from Black African and Black Caribbean Communities across London.

The event will be an opportunity for those members of our community to hear from our panel of Public Health professionals, Senior Clinicians and Faith Leaders. The panel discussions will include vaccine hesitancy, misconceptions about Covid-19 and provide accurate information to enable the community to make informed decisions about the Covid 19 vaccination. Questions can be submitted in advance and there will be opportunity to raise question during the event.

This event will be co-chaired by Pastor James Olanipekun and the panel will include; Dr Somen Banerjee, Director of Public Health Tower Hamlets, Dr Vanessa Apea, Barts Health NHS Trust, Pastor Maxwell Negbenose, Redeemed Christian Church of God, Pastor Joshua Bandele, Christ Apostolic Church and Adeola Agbebiyi, Assistant Director for Public Health Newham.

Register to submit questions in advance online. Pre-submitted questions will be completely anonymous - www.eventbrite.co.uk/e/a-covid-19-vaccine-webinar-for-black-african-caribbean-residents-tickets-159437262143?aff=ebdsoporgprofile

Please feel free to join the conversation using the Zoom link below and share this invite with your family and friends.

Family Fun!

Ideas to support learning, play and well-being.

When doing the laundry

Sort clothes with your child into piles of "more" or "less." Ask your child to help put a specific number of clothing items into the hamper or basket, and then count with them as they do it. Have your child match socks to help them understand sets of objects.

You can ask your child to sort the items into colours or sizes too.

Yoghurt pot train

Glue tissue paper (or kitchen roll, which your child can decorate) around each yoghurt pot. To build the train you need to make a hole through the sides of the pots (big enough to thread the string through). Thread the string through the sides of the pots. To make the train. Glue the lids to the sides of the pots to make wheels. Add some number stickers as the finishing touch.

Using the senses. A 5 minute mindfulness tip.

Remind the children of the five senses (seeing, hearing, smelling, touching and tasting).

In this order, ask children to focus on one sense at a time, noticing: -

Five things they see - Four things they hear - Three things they smell - Two things they can touch - One thing they can taste.

Yoghurt ice cakes

What you'll need: yoghurt, berries, cupcake cases, muffin tray

What to do:

1. First your kids put cupcake cases into the sections of a muffin/cupcake tin. Then they spoon the yoghurt into the cases.
2. Next they put in the berries and press them into the yoghurt.
3. Put them in the freezer until they set (about 3 hours).
