

God is always there
Helping those in need

Dear Families,

I cannot believe we are close to the end, it seems impossible to comprehend that the children are older and need to move up! We have started our transition meetings with external agencies and secondary schools for Year 6 and will start internal transition before the children move up.

All the children will move up during the week of the 12th so the children and staff get to meet each other before summer. We love doing this as it works to reduce anxiety over transition. Children and the new class teams will have a chance to get to know each other.

Please see on pages 3 and 4 for the attached consultation material and survey for the school street scheme.

Please let us know your opinion.

The information can also be found at <https://talk.towerhamlets.gov.uk/schoolstreets>

Well done to all of Years 5& 6 who took part in the Tower Hamlets Athletics Tournament.

The whole of the Athletics team performed fantastically with many even making it to the final.

Congratulations to the following children who received the following medals!

Jaden	Silver Medal	Long Jump
	Bronze	4x100 Relay
Ryan	Bronze Medal	High Jump
Aleksandra	Silver Medal	Javelin
Kai	Bronze Medal	4x100 Relay
Joe	Bronze Medal	4x100 Relay
Denzel	Bronze Medal	4x100 Relay
Ruby	Bronze Medal	1500m

Virtual Library

The Legend of Kevin by Philip Reeve and Sarah McIntyre!

Click here to read The Legend of Kevin.

Kevin the flying pony blows in on a magical storm and - DOOF! - crashes into the balcony outside Max's flat. As the storm waters rise and the town is besieged with creatures, Max and Kevin set about putting things right. With Max's quick thinking and a constant supply of biscuits for Kevin, there's nothing this heroic duo can't achieve!

~ **Reminder** ~

On Monday 19th July (the last day of the Summer term), children will be finishing at 1.30pm after lunch.

With warmer weather please make sure your child has a water bottle and also may need sun cream should the sun shine even more! Please keep trainers on, not sandals, so that your child can run, play and take part in sport safely.

Congratulations to Year 6 who have completed their mock 'SATS week'. In typical St Saviours tradition they marked this occasion with fish and chips to celebrate all of their hard work, resilience and efforts not only in Year 6 but across their time here. Well done to all!

Happy Birthday

Carter	01 Jul 2014	Yr2
Harley	01 Jul 2016	Reception Class
Ellie	04 Jul 2011	Yr5
Teddy	04 Jul 2014	Yr2
Poppi	04 Jul 2011	Yr5
Elsie	07 Jul 2015	Yr1
Nico	15 Jul 2012	Yr4
Jui-hsi	15 Jul 2016	Reception Class
Indigo	20 Jul 2017	Nursery Class
Olivia	26 Jul 2010	Yr6
Emmanuella	26 Jul 2011	Yr5
Daniel	30 Jul 2017	Nursery Class
Isabella	30 Jul 2010	Yr6
Ibrahim	30 Jul 2010	Yr6

St Saviours School Kid's Clothes stall
(Outside school office)

OPEN TO ALL 8.30-10am

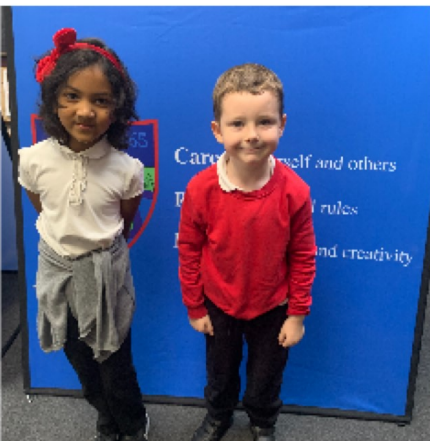

Friday 9th July: clothes stall and clothes drop off
Friday 16th July: clothes stall NO DROP OFF

FREE to take
New, worn once, and
good quality used clothing

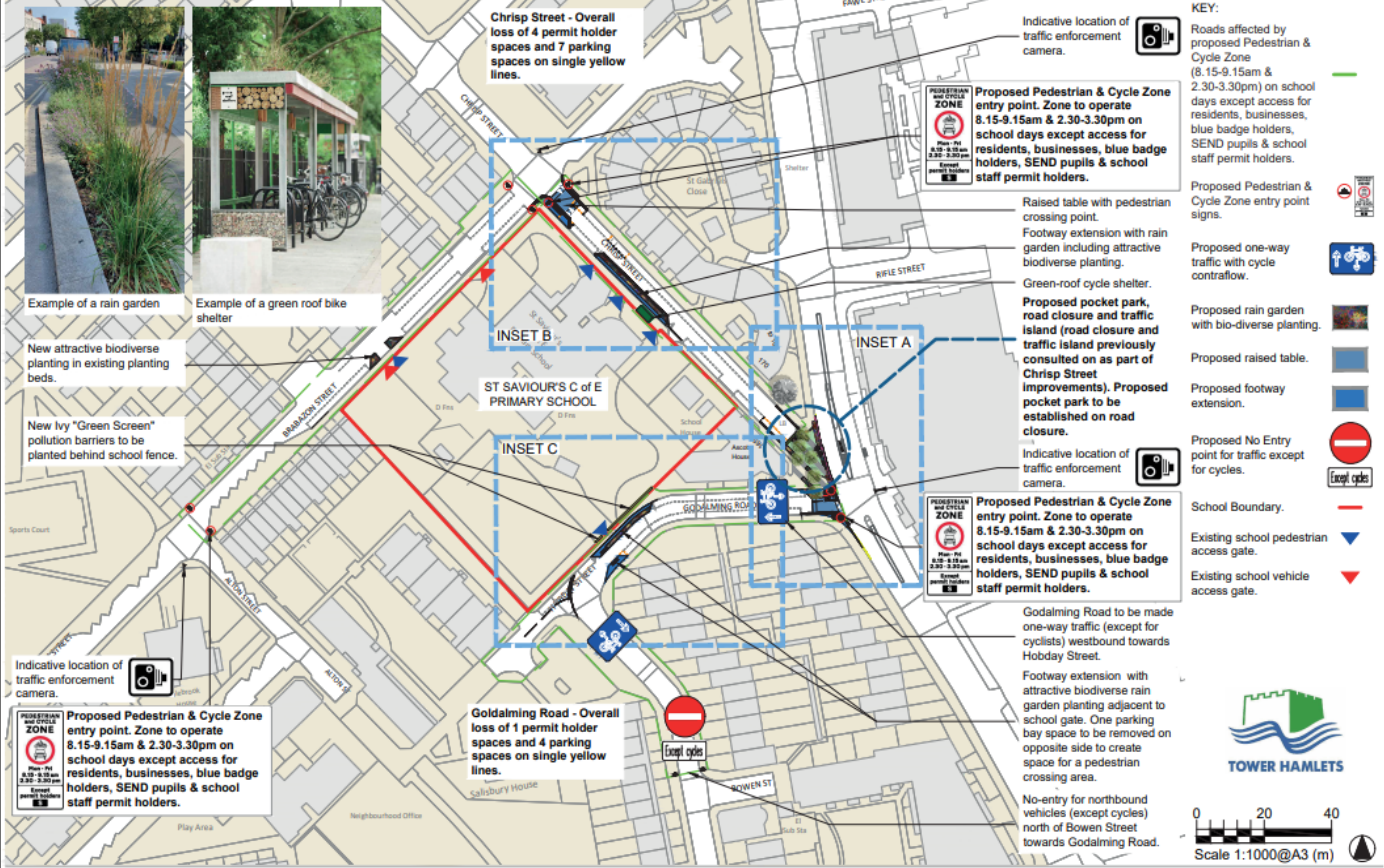

Drop off what you
don't want.
Pick up what you
NEED!

Children's Items accepted:
school uniform, items new with tags,
items New without tags (NWT), shoes.
We can only accept **CLEAN** used items
suitable to be passed onto another.

Well done to all our
Stars of the week!

SCHOOL STREETS

ST SAVIOURS CHURCH OF ENGLAND PRIMARY SCHOOL

What are School Streets?

School streets are pioneering schemes to transform roads outside schools, so that pedestrians and cyclists can use them safely at school start and finish times. The Mayor of Tower Hamlets has an aspiration to develop 50 School Streets by 2022.

We want to create areas where children can safely walk or wheel to and from school. School streets aim to encourage activity, reduce pollution and help growth, learning and development. Each school will have different proposals, but all will aim to reduce air pollution at the school gate. Staff, residents and businesses will still be able to access the area while making it safer and quieter for the school and the community.

Why do we need School Streets?

To improve road safety - Unfortunately, children are some of the most vulnerable road users. As part of the School Street we look at the design of the roads and pavements to make it as safe as possible for children on the way to and from school.

To protect children from pollution - Harmful air pollution affects the health and well-being of children. Children's lung capacity can be reduced by breathing toxic air which can affect all organs in their body and their long term health. Find out more at www.towerhamlets.gov.uk/breatheclean

To encourage active travel - Busy roads can make it feel unsafe to walk and cycle. We can widen pavements, introduce crossings and calm traffic to allow more children to safely walk, scoot and cycle. Where possible, schools can provide space for storing bikes and scooters safely. Find out more at www.towerhamlets.gov.uk/cycling

What are we doing?

A plan is enclosed outlining the proposals. Changes could include:

- Carmen Street (between Bowen Street and Hobden Street) to be one way, except cycles.
- Godalming Road to be one-way, westbound, towards Hobday Street
- Pavement extensions on Godalming Road
- Rain Garden with biodiverse planting along Godalming Road and Chrisp Street
- Raised tables on Chrisp Street and Godalming Road
- Pocket park and road closure at the junction of Chrisp Street and Morris Road previously consulted on - plan is for information only

(cont. on page 2)

How will the School Street work?

Brabazon Street (between Alton Street and Chrisp Street), Godalming Road and Chrisp Street would be made into a pedestrian and cycle only zone between 8.15am-9.15am and 2.30pm-3.30pm on school days.

- Access for residents & businesses of those streets, school staff, blue badge users and SEND pupils will be allowed if the vehicle is registered for an exemption, which can be requested free of charge using a form online.
- Other vehicles driven by visitors, parents and delivery vehicles will not be permitted to enter the zone when in operation.
- Vehicles not registered within the restricted streets can leave during operational hours but cannot return between 8.15am-9.15am and 2.30pm-3.30pm on school days.
- The zones will be enforced by cameras and vehicles not exempted entering will be automatically issued a penalty charge notice.
- We are also introducing green walls, clean air gardens and tree planting, in and around the school.

Have your say

Your views are important to us. We want everyone who lives, works and studies in the area to have their say.

Have your say by filling in the survey:

Online via: talk.towerhamlets.gov.uk/schoolstreets

Hard copy and send via post with the freepost label supplied.

Please provide your feedback by midnight on Wednesday 28 July 2021.

If you have any questions about the plans or require details in another format or language, email or write to us at:

schoolstreets@towerhamlets.gov.uk

School Streets Engagement Team

Project Centre Ltd, Unit 2 Holford Yard, London WC1X 9HD

What happens next?

If approved, a trial of the restrictions will run for 18 months. New School Streets are controlled by experimental Traffic Regulation Orders which allow us to trial the scheme, to see how well it works. A decision on whether to make the scheme permanent will be made following feedback and site assessments during these 18 months. This gives residents, parents and pupils the chance to help us improve the way they work. After six months we ask parents, residents and other interested stakeholders to complete a short online survey to tell us how they think the School Street is working. The responses are then analysed and inform our decision on whether to keep the School Street, either as it is or in a modified form. Due to high levels of consultation responses, we will not be able to individually respond to all replies.
