

Challenge in bringing God's word to reluctant hearers  
Perseverance & listening

Dear Families,

As we reach the end of this year, I would like to applaud the pupils, staff and you for the resilience, compassion and care shown. The children have coped extremely well with all the different rules and changes brilliantly and managed to thrive and learn. With the start of this third wave and cases rising once more, it is difficult to comprehend how well you have all done, we have all done in only closing two bubbles since the start. Your support in testing is immeasurable in keeping us all safe. Thank you. We will be reviewing and keeping some of our controls despite the absence of guidance because we enjoy being in school and want all the children in too! Please do not be surprised if we still have hand washing, ventilation, no visitors unless necessary. We will be trailing the parent teacher workshops for transition. The form / survey requesting your views on all of this will close this weekend. It has been in 2 newsletters.

Covid has sparked many people to re-evaluate their life. Teachers are no exception and so, we are having the most organisational change in a while with people deciding to go home, outside of London, retire or even go on to more training and different career paths. Everyone has played their part and we would like to say a huge thank you to:

- Mr Allan Kelly
- Ms Hannah McGonigle
- Ms Salmon
- Mr Whitehead

We will be welcoming back Mr French, who many of you will remember as our P4C and Computing lead. We are very pleased to be joined by Mr Wasyliw, Mrs Khan and Mrs Hussain.

In governance we will say a huge thank you to Louise Ruzzaman, Ruby's mummy from year 6 who will be leaving this year and I know we have three potential people to step into the two vacancies, and support the leadership of the school. We will be running an e- election! Look out for the form link and exercise your demographic right to vote! This will need to come to you on Monday. Also on Monday, look out as your children will come home with their reports. Do make sure they are in PE kits as we will have sports days on our pitch, on Monday and Tuesday, please do not loiter on the perimeter, we will share videos!

**Happy Birthday**
