Weekly worship & reflection
Loving others

Dear Families,

A wonderful week at St Saviours where children are so incredibly impressive in their maturity, learning attitude and behaviour! It is amazing to walk through the school and see them learning. Reception have been particularly astounding even with the way they come in and sit in worship! Homework is going out once more, this week it will be on paper to give you a chance to remember and log into your google classroom . From next week it will set there but your child will come home still with their reading book. Next week, we will also be welcoming parents on the premises for the year 6 transition meeting for the first time in a while. We are looking forward to seeing you then!

We are a neuro-diverse, inclusive community, this is one of ways in which our school is a wonderful place to be, whether a child or adult. Staff will be considering and updating our provision for all children.

Jeans for Genes is one of the children’s chosen charities so each year we dress in our jeans on the Friday to raise money for children who have been born with a genetic difference such as Down Syndrome among others. Thank you for your generosity we have managed to raise £126.51

Your generosity at a time of need is even more special, we are happy and know the Tower Hamlets food program is supporting many of you so we will continue with our Thursday deliveries, regularly.
