Weekly worship & reflection
Wisdom and humility

Dear Families,

A splendid week welcoming back some of our former pupils for some special assemblies and talks with years 6 and 5. We were lucky to have a visit from Maya and Juliet before they set off for Warwick University to study history and bio medical engineering respectively. They are only two of our impressive alumni, Ike, left for an engineering degree this autumn, whilst Thomas is on his way to Oxford to study art. Whether in year 11 and taking their GCSEs or already on their next steps all ex pupils hold a very special place in our hearts & school.

Listening to their wise words, their visible love of learning and hard work, it is no wonder they continue to inspire us. A huge thank you to them for their return visit, a pure sense of family & community. (koinonia in Greek). We wish all our children well whatever the next steps on their journey. It was serendipity really on the same week as our Year 6 parent workshop on applying for secondary school. Please remember to contact Mrs Sablon if you require further support.

Thank you to everyone who responded to the consultation on our school streets. A smaller step closer to home, would be to turn engines off near the school as little lungs are walking near by and they do get effected even more than us with exhaust fumes. This is especially true of Brabazon Street where there is no pavement. Please help all our children be safer by turning off your engine whilst stopped near the school or parking a little further away from the gates. Thank you for your support in making our children and community safer.

Wishing you a lovely and safe weekend, *Mrs Smith*

Parent conferencing will be in person this year! You will be allocated a slot after school on the week beginning the 4th October and will have a chance to meet the class teacher, discuss your child’s learning and how we can work together for their benefit. If you are immunosuppressed, suffering from long Covid, or anything else that might stop you from attending in person, do let the office know so you can have a zoom meeting instead.

We are starting Covid catch-up groups after school from next week. Children have already been identified for these groups. It will be more targeted than the online catch-up with class teaching teams. These clubs will run this term until 4:15 which is pick up time at Chrisp Street.

Clubs are:

Monday Year 6

Tuesday Year 5

Wednesday Year 2

Thursday Year 4 & Year 3
