Remembrance- Sacrifice

Dear Families,

What a busy week we have had! Firstly, we started our week celebrating Maths! We have been sharing the joy of Mathematics with each other and understanding that Maths is all around us! We have celebrated with a special Maths assembly, a teacher swap, learning about Maths outside in the school grounds and today playing some Maths games in Class. Thank you to Mr Ali, who organised all of this! It has been a fantastic week - please listen out on Monday for the Maths Poster Competition finalists!

As a school we also shared a special assembly for Remembrance Day, where we all gathered as a school to remember those who have sacrificed their lives in conflict and those still affected by conflict. We were delighted to be joined Jane from All Saints who led us in prayer and shared our two minute silence with us.

Well done to pupils from Key Stage 2, who represented the school at the Tower Hamlets Cross Country this week. You all showed excellent perseverance and great sportsman ship and we are so proud of each and everyone of you!

Christmas Hampers donations

Christmas is on its way! As we are all aware, we would have loved to have a school fair but unfortunately, this is not possible. We are trying to make it as fun as possible to raise money for the school. Therefore, we are asking families, if they could donate **one item per child** from their classes from the list below. From your donations, we will then make hampers for parents & guardians to purchase a raffle tickets to win the hampers and other prizes.

Nursery & Reception - Chocolates

Years 1 & 2 – Bags of Sweets

Years 3 & 4 – Cakes & Biscuits

Years 5 & 6 – Drinks (non- alcoholic or alcoholic)

Could these items be given to your child for them to take into their classes. We would like these items to brought into school starting from Monday 15th November.

Thank you for your support :)

Happy Birthday to

...
