

Dear Families,

Another wonderful week of learning as this half term starts to draw to a close.

We look forward to welcoming parents in next week to talk about all the excellent learning the children have been completing this half term; alongside how they have settled and how you can support them on their learning journey for the rest of the school year. This is also an opportunity to meet the class teacher and ask any questions that you may have.

Next week also sees us welcome trainee teachers from the LDBS teacher training course. The teachers will be at St. Saviour's observing how we teach, gaining knowledge from our teaching teams and trying some small group teaching themselves. I am sure that the children will welcome them with open doors and warm hearts.

I hope that you all have a lovely weekend!

Mrs Smith

SCHOOL UNIFORM CHECK

We have all settled in school and we want our children to look the best they can. School photos will be taking place on Monday 17th October. To ensure we continue to look presentable, we will be completing a uniform check. This will be happening every half term. Our first check will take place next week; please ensure your child has the correct uniform.

Thank you for your support.

HEALTHY SCHOOLS

We are a WATER only school

Following the information we sent out to all families in September regarding snacks and packed lunches, we will be continue to send out information to assist you in making healthier choices. From next week we will be monitoring packed lunches and snacks, so please ensure your child has healthy snacks such as a piece of fruit, veg or plain/no flavored rice cakes & crackers. No chocolate bars, crisps, croissant etc..

At lunchtimes and breaktimes if your child comes to school with unhealthy snacks, a member of staff will hand a slip to your child and swap this with a choice from our salad and fruit bar.

Please see the slip below where staff will complete and this will be sent home with your child. Thank you for your support!

Date:

Dear Parent/Guardian,

It was noted today that your child had _____ during break time/lunch time. As you are aware we have been awarded a Healthy School's status and as such these snacks are not allowed.

Please note that we are also a water only school, flavoured water is not permitted in school.

That is why they have been returned to you.

Thank you for your co-operation and support in this matter.

SEND Sports at Malmesbury

Today some of our children were lucky enough to attend the SEND games at Malmesbury School with other children from Tower Hamlets' schools. The children were competing in various sports and were supported by coaches from Leyton Orient. The children thoroughly enjoyed the event with the words 'magical', 'colossally amazing' and 'tremendous' being used. One child even said that they can't wait to do it again at some point over the year! Watch this space for more news from our budding athletes.

Junior Citizenship Workshop

This week the Year 6 children were lucky to have a talk with Aleef from TFL Stars. The session was about how the children can stay safe whilst using London's transport system and how to pay for their fares using a Zip card, which the children can apply for 1 month before their 11th birthday. The session engaged the children thoroughly and will definitely help them with the transition to secondary later in the year.
