

## NEWSLETTER Friday 8<sup>th</sup> Nov 2022

Dear Families,

Apologies for the lateness of the newsletter; we were having too much fun to go back to our desks to write about it all on Friday. The children enjoyed the fun of the fair without paying a penny, with each class having a slot to tea part in all the activities they wanted to. From bowling to hoopla, from higher or lower to cups, or elf yourself, we all had soooo much fun! A super thank you to Rachel and Clare for organising it all and for all the adults for mucking in, having fun and a great little dance besides.

All this and the chance to meet the wonderful reindeer, Bubbles and Latte :- ) an amazing time. They certainly brought magic and a beautiful sense of hope and joy to the time of year. We learnt so much with the farmer being able to tell us tonnes of information... so over to the children for a did you know?

- do not smell as a survival strategy
- they have two eye lids to help them cope with the cold
- they can take up to temperatures of -40%
- they can communicate and hear each other coming because their legs click when they walk
- there are only 300 reindeer in the UK, all in farms, none in the wild
- the females grow their antlers to protect their young from wolves
- their antlers are made of keratin, like nails or hair, even ours
- this year due to the unseasonably warm weather some dropped their antlers three weeks early
- they were the first animals to be domesticated, even before sheep or cows

I am sure you will join me in thanking Rachel, Clare, Bridget, and Elizabeth but mainly Rachel for her brilliant organisation of all this fun!

Hence the choices are made by parents, pupils and teachers.

We also say a farewell to Mr Wasyliw who will be continuing his teacher training in a bigger school. We wish him all the best in the future.

We welcome Ms Robin who will be joining us as an Assistant Headteacher. We hope the children have said that Mr Rowland is back and teaching art this term.

#### KS2:

If you're using a plastic bottle, you should consider a hard plastic or metal one, not only does it last forever, but is so much more better for the environment. Though, it can be quite expensive, it will be ALOT less than all the times you've had to buy a plastic 1. St Saviours is planning to buy metal bottles ~~for~~ <sup>for</sup> anyone who really needs it. Thank you!
