

NEWSLETTER Friday 3rd March 2023

Dear families,

A wonderful Book Week and a sheer joy to see the variety of costumes that you supported your children in creating. The imagination brought a smile to everyone's faces, from Nursery to Year 6 and we hope that you enjoy looking at some of the images from our day!

Pleasure in reading has been accepted as a key driver in raising standards in reading and across learning in all academic areas. We want our children to experience joy and success and this does not happen through tests alone. Research suggests that the words spoken to a child by the time they are 5 can impact on their future lives. The more language that a child can acquire, the more successful the child will be later in life such as going to university and being higher earners in employment.

We know that not everybody is able to express their thinking in the same way and challenges such as speaking English as an additional language or being neurodivergent can pose as a challenge. Later on this month, we will be celebrating National Autism Week and we would like to invite parents in helping us to set up and run a parents and carers coffee morning where barriers to language can be discussed and support shared and offered!

WORSHIP FOCUS

**Experiences/
encounters that bring
change**

Moses story (Exodus 34:29-35) suggests that humans can be changed by being in the presence of God. How might you change in God's presence?

SCHOOL NOTICE BOARD

Monday 27th Feb Choir working with Hannover Band

The school choir worked with Mr. Daggett and the Hanover Band at Haberdashers Hall on Monday, where they performed a song- An die Musik- with the Hanover Band. Thank you Mr. Daggett for your help in making this happen.

Partial closure due to strike day

Dear parents/carers,

You may be aware from media coverage that the NEU have declared strike action, which will take place on:

Wednesday 15th March 2023

Thursday 16th March 2023

The strike is happening because of a national dispute between the unions and the government over teachers' pay and workload.

I'm getting in touch to give you as much notice as possible about our arrangements for **Thursday 2nd March**. The following year groups will be closed: **Reception, Year one, Year four and Year five**.

I'm sorry that you will have to make alternative arrangements for your child at short notice, and that they will experience disruption to their education. I understand that this situation may be frustrating, and ask that all members of our school community continue to treat each other with respect. St Saviour's remains committed to providing a safe and secure environment for our pupils and delivering high-quality teaching.

We are working closely with our staff union representatives to keep up to date with the situation, and I will inform you as soon as possible if arrangements change further.

Kind regards,
Mrs Smith
