

Dear Families,

Welcome back, we hope you have had a lovely Easter and are ready for the term ahead. We know that for some of you this will be your last term at St Saviour's and we appreciate how tricky this time can be for you. Just as for some starting your journey, finding out that your child has a place with us validating our choices as parents aligned to our beliefs and values.

Our focus for the next few weeks is our year 6 pupils, an amazing bunch, who have shaped us as a school. During SATs week and the lead up to this we are focused on them, so any meetings will be after mid May.

Obviously we will be celebrating and learning about the coronation, we have a special week planned for all including understanding the church schism and birth of the Church of England with special books and resources Kings College London. If your child has been invited to sign with the coronation choir, please see All Saints Church notices. Wishing you all a wonderful weekend especially if celebrating Eid Mubarak!

## SCHOOL NOTICE BOARD

**Personal Social, Health and Economic Education (PHSE).** We have emerged from the pandemic, Covid is on its way to being endemic, even if people still seem to be suffering from it but we have not had any reported cases for ages now. However, we know some people have emerged more vulnerable and this is influencing health, mental and emotional health. Hence we will now be offering therapy for adults. It may be for people suffering from anxiety or depression or simply have a heavy load, others are still suffering from long Covid and its effects. Hence if you require therapy, please ask me, if we cannot provide this, we can signpost through our mental health leads, Mr Dunford-Crozier or Mrs Sablon. Following the successful coffee morning, we will be running 3 parent workshops. The workshops will build on knowledge gained in the previous session so we encourage parents to attend all 3 sessions.

#### **Workshop 1: 9th May @ 10-12 - Self and the Inner Journey**

Understanding the values and beliefs that we hold about autism and feeling empowered to choose the path that best serves our child's needs. We'll explore why we react to our child's behaviours in particular ways and how we can positively parent our autistic children.

#### **Workshop 2: 23rd May @ 10-12- Talking about autism with our Communities**

How to talk about autism confidently with our friends, family and beyond

#### **Workshop 3: 6th June @10-12 - Autism Awareness**

This is an unique opportunity for you to bring along one person that supports you and your child. It might be a parent, a partner or a grandparent. During this session, they'll learn what autism is, how to support you on your parenting journey and how to be a positive role model for autism when they are interacting with your child.

Workshop will take place at
