

Dear Families,

An amazing week with our year 6 children taking their end of primary school SATs tests. We are so proud of each and everyone of them! Although the tests measure where the children are and, they do not measure the journey or challenges children face.

We all try our best to be ready but we all get a little thrown at times. This year the children had a piece or reading from The Times newspaper to read and be tested on among other pieces. Stamina to cope with the unexpected for the duration of a week is what is needed and so we believe our children are shining stars! They kept their smiles with a lovely singalong party atmosphere and a take away for lunch!

The tests are all picked up and sent to the government, the results will not be available until after the 11th of July.... But for us the children are always more than results, they are beautiful stars! Wishing our year 6 and everyone a lovely weekend,

Mrs Smith

Stars of the weeks

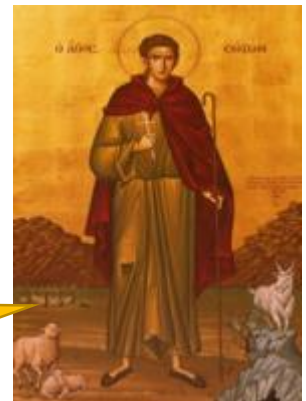

It's lovely to be able to invite families back into the school to celebrate together with their child. We can only have 1 adult per family. If you have 2 children who are in separate classes this will be 2 adults. If you have a baby, please could you let us know so we can accommodate; we are very happy to provide a crèche.
Thank you for understanding.
