

NEWSLETTER Friday 9th June 2023

Dear Families,

It is hard to believe how quickly the year has flown by. Watching the children flourish term by term and witnessing the wonderful progress they have all made is a testament as to how resilient they really are.

Summer two is a wonderful time to celebrate all of their achievements. This week the year four children completed their multiplication tables check and next week our year one children will complete the phonics screening test. We are confident that they will all try their best!

Teachers are busy organising trips - Year 2 & 3 have already visited the Half Moon Theatre for a showing of Pinocchio and Year 2 will be visiting the Burdett Mosque, supported by Laura (the children and families worker from All Saints).

Have a wonderful weekend!

Stars of the Week

It's lovely to be able to invite families back into the school to celebrate together with their child. We can only have 1 adult per family. If you have 2 children who are in separate classes this will be 2 adults. If you have a baby, please could you let us know so we can accommodate; we are very happy to provide a crèche.

Thank you for understanding.

ATTENDANCE MATTERS

Good attendance relates to good attainment. Every day counts! At St Saviour's School regular attendance is important to ensure the best possible learning outcomes for all our children. It helps our children make the most of their education, improving their chances in adult life. Regular attendance and punctuality are also important life skills which will help our children when they enter the world of work. Our children receive certificates and prizes for good attendance half termly, termly and for the full year. Classes with the best attendance win day trip. Attendance for each class is monitored, shared weekly in our celebration collective worship and will now be Our attendance policy is on our school website. Paper copies are available from the office displayed outside each classroom. In addition to this we expect our children to be punctual. The school gates open at 8:45 and close at 8:55, giving you 10 minutes to get your child into school. Children are expected to be in class for the register by 8:50 am, ready to start their first lesson shortly afterwards. Being punctual means that lessons can start on time, enabling staff to maximise children's learning time. Your child will be given a late mark if they arrive in class after the register has been completed. If your child is absent from school due to a medical reason, please ring the school office by phone before 8.40 am. We will contact you if we haven't heard by this time as part of our safeguarding procedures. We understand that illness happens and if your child is not well then, they may need to stay home, but we ask if your child has a runny nose, a headache or seems very tired that you still bring them into school. The below chart outlines how much learning is lost through non-attendance.

Our target is 96%

This week's percentages 5 th June -9 th June	
Class	%
Year 1	95.33
Year 2	93.45
Reception	93.24
Well Done Year 1	

Our attendance policy is on our school website. Paper copies are available from the office.

How close are you to reaching to the top?

The Attendance Welfare Officer (AWO) checks our school registers regularly and will contact parents by letter, telephone or a home visit if there is a cause for concern. Formal referral of pupils with persistently less than 90% attendance may be made. Be aware that parents can ultimately be prosecuted for non-attendance offences.
