

NEWSLETTER Friday 30th June 2023

Dear Families,

An exciting time of year with a congested diary! Our year 6 returned from their residential, the first since Covid! Most assessments are completed and we will be able to share results after the 14th July when year 6 SATs will be released. A parental drop in after school will be made available once we have the information released.

Transition week is the week beginning 17th July, when children will move up into their next classes and with their new teams. We know children can experience additional anxiety at times of change so we try to make arrangements to support with this. If your child has additional needs or attachment anxiety where change may be more challenging please speak with Mr Hyland-French and your class team.

Wishing you all a lovely weekend,

Mrs Smith

Stars of the Week

It's lovely to be able to invite families back into the school to celebrate together with their child. We can only have 1 adult per family. If you have 2 children who are in separate classes this will be 2 adults. If you have a baby, please could you let us know so we can accommodate; we are very happy to provide a crèche.
Thank you for understanding.

SCHOOL NOTICE BOARD

Strike Action

Dear parents/carers,

You may be aware from media coverage that the NEU have declared strike action, which will take place on:

- Wednesday 5th July
- Friday 7th July

The strike is happening because of a national dispute between the unions and the government over funding and teachers' pay. I am getting in touch to give you as much notice as possible about our arrangements.

- Wednesday 5th July the following class will be closed: Year five.
- Friday 7th July: No classes will close.

Thank you for your support and for making alternative arrangements for your child. I understand that this situation may be frustrating, and ask that all members of our school community continue to treat each other with respect. Teachers do not take strike action lightly but do need to stand up for funding our schools so that everyone is welcomed equitably. We are working closely with our staff union representatives to keep up to date with the situation, and I will inform you as soon as possible if arrangements change further.

Kind regards,
Mrs Smith

ATTENDANCE MATTERS

Good attendance relates to good attainment. Every day counts! At St Saviour's School regular attendance is important to ensure the best possible learning outcomes for all our children. It helps our children make the most of their education, improving their chances in adult life. Regular attendance and punctuality are also important life skills which will help our children when they enter the world of work. Our children receive certificates and prizes for good attendance half termly, termly and for the full year. Classes with the best attendance win day trip. Attendance for each class is monitored and shared weekly. Our attendance policy is on our school website. Paper copies are available from the office displayed outside each classroom. In addition to this we expect our children to be punctual. The school gates open at 8:45 and close at 8:55, giving you 10 minutes to get your child into school. Children are expected to be in class for the register by 9:00 am, ready to start their first lesson shortly afterwards. Being punctual means that lessons can start on time, enabling staff to maximise children's learning. Your child will be given a late mark if they arrive in class after the register has been completed. If your child is absent from school due to a medical reason, please ring the school office by phone before 8.40 am. We will contact you if we haven't heard by this time as part of our safeguarding procedures. We understand that illness happens and if your child is not well then, they may need to stay home, but we ask if your child has a runny nose, a headache or seems very tired that you still bring them into school. The below chart outlines how much learning is lost through non-attendance. Please do make sure your child is in school and ready to learn every day. Thank you.

Our target is 96%

This week's percentages

Class	%	Lates
Reception	93.0	13
Year 1	93.9	4
Year 2	94.1	14
Year 3	96.6	8
Year 4	91.5	8
Year 5	91.1	9
Year 6	98.5	20
Overall	94.1	76

Our attendance policy is on our school website. Paper copies are available from the office.

How close are you to reaching the top?

The Attendance Welfare Officer (AWO) checks our school registers regularly and will contact parents by letter, telephone or a home visit if there is a cause for concern. Formal referral of pupils with persistently less than 90% attendance may be made. Be aware that parents can ultimately be prosecuted for non-attendance offences.
