

NEWSLETTER Friday 10th November 2023

Dear Families,

This week the link Governor for safeguarding visited school to monitor how we're keeping children safe. For many of us, we see our online lives and offline lives as different, but children are growing up with technology and the internet and for them there isn't a difference. Technology can move at an extraordinarily fast pace. Talking regularly with your child is the greatest tool to help keep them safe online. For more information and support please visit the NSPCC website:

Tomorrow we commemorate those who lost their lives in the First World War and other conflicts over the course of the 20th century on 11th November at 11.00am (the time when this conflict came to an end), this has come to be a moment when we reflect upon the nine million soldiers and seven million civilians who died in the "Great War" of 1914 to 1918.

Wishing you a wonderful week,

Mrs Smith

SCHOOL NOTICE BOARD

Year 3 have had an amazing Friday learning how to bake bread. Pupils learnt all about wheat and how flour is produced—then made their own flour to make fresh bread. Year 3 also got their hands dirty, kneaded the dough and then were taught different skills and techniques to design their loaves of bread. They were so energetic and thoroughly enjoyed it—children cannot wait to taste it at home!
