

NEWSLETTER Friday 6th September 2024

Dear Families,

Welcome back everyone, existing and new members of our school community, it is an absolute joy to be back and see how much the children have grown! From fishing to swimming, from Southend to seas around the globe, the children have returned enriched by their experiences an ready for school. Their growing maturity is evident, settling in so well already so that school is a calm, yet exciting environment to be in. An utter joy!

The start of the year is so special because it allows us to create the atmosphere, conditions and climate for the year from treating each other with care, respect and love so that we are inspired to be the best of ourselves. The heartfelt hope of a fresh start and school creation seems unique to education and a privilege to be part of. Rev Matt come in to lead our worship as he and other members of the Poplar team do weekly and was able to bless our school and all the people in it, young and old. The children's faces lit up with huge smiles, school is joyous!

Wishing you a wonderful weekend,

After the pandemic, some families and children struggled to get back routines and attendance at school. We know that every second counts. When children miss school they are out of step with their peers, they miss vital parts of learning concepts so they fall behind or have gaps and miss their friends. Some have told us that they feel 'lonely, confused, upset, out of energy, left out or left behind'. Being in school matters in many ways so please let us know if you are struggling

Unless you are able to establish relationships, relate with the adults and your friends you may not be able to regulate your emotions in the same way or develop the resilience you needs to flourish. We want all our children to be healthy and flourishing.

and do book any appointments or events outside of school time. Thank you.

If you are struggling to support your child's attendance do let us know how we can help you. To enable this we will not be agreeing any holidays in term time.

# **Volunteers – We Need You!**

If you are interested in becoming a volunteer? Some of the ways volunteers can help in the school are:

- Reading with children
- Supporting school events from the schools birthday to the summer fair
- Supporting fundraising from singing at hospices to Canary Wharf
- Attending trips and visits
- Support in the classes with learning or lunchtimes with play
- Gardening with and without children

We look forward to hearing from you and your generous offer of help!

If you can help, please contact Rachel, thank you.

Wear jeans to save lives! How to celebrate Jeans for Genes Day?

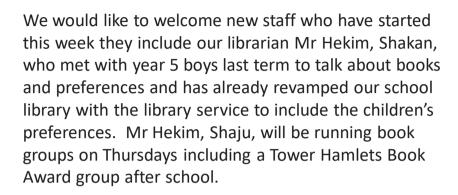

The day encourages children and teachers to join in with fundraising by wearing jeans and casual wear to school. Those who participate by wearing jeans then donate money. Jeans for Genes Day focuses on birth or genetic diseases like Down syndrome, cancer, cystic fibrosis, and genetic blindness.

We would also like to welcome Ella Deeks, our play therapist who will be working with our children on Mondays. Ella is familiar with the school and has already had a handover to enable her to support families and our children.

Our speech and language therapist, Trully Kheswa, starts next week along with Mr William Bruce, our St Paul's musical outreach and our new iRock tutor, Mr Will Juton.

I know some of you have already met Ms Rocha, our new year teacher in year 3 and MFL lead.

A huge welcome to all our new staff this year.

Changes will always happen in schools, it is the nature of life that things do not stay the same, there is a season for everything and a season for everyone. The people who come are ones who love our children, we are blessed to belong to such a beautiful community. Some of our people are missing at the moment, our hearts and good wishes are with them. Thank you

St Saviour's pupils are use to having and using their voice to help lead the school. They have always been part of our decision making, from feeding into the school development plan to day to day decisions, to staffing. This is their school so they have a say in how we live out our vision and values and the school we create. Last year they chose to remodel the junior toilets, allocate staff to different year groups, among other things. (The toilets look brilliant by the way and the staff are lovely)

WHAT DO YOUR
ATTENDANCE
FIGURES
ACTUALLY MEAN?

# **BE SMART BE THERE!**

Percentages based on 190 academic days

# Our school target is 96% come on everyone!

We are in school 190 days so that is 177 days off!

#### Polite reminder:

Children need to be in school on time.
Gates open at 8:45 and close at 8:55.
Early morning learning at this time sets
the children up for the day.

Our Attendance Welfare Officer (AWA), Ranu Begum, attends school weekly. Ranu checks our school registers regularly and may contact parents & guardians by letter or telephone if and when needed. For guidance on what to expect – please see below.
