

NEWSLETTER Friday 8th November 2024

Dear Families,

We hope that you have had a wonderful break and that the children have rested ready for the new half term. It has been lovely to welcome the children back and to see them jumping straight into their new learning. The building has been buzzing with the children talking about their new learning!

This week we have been working with our anti-bullying ambassadors on creating presentations on what bullying is, the different types of bullying and how to support those children who may be being bullied. They have also looked at school policy and given their input. Next week will see the children work with other local schools at the Poplar Parliament where they will work to discuss how to work together against bullying and what qualities make a good friend.

This week we also saw the children in Year 4 working with the London Symphony Orchestra for a project titled Music in the Classroom. Next week they will be visiting the LSO at the Barbican for a musical concert so stay tuned for news about this trip and how the children got on!

Polite reminder:

Children need to be in school every day and on time.
 Gates are open for 10 minutes every day from 8:45 - 8:55. Early morning learning at this time sets the children up for the day. Some have targeted interventions at this time.

CAN YOUR CHILD AFFORD TO MISS OUT?

We are aware that some people may find that our pursuit of attendance for all children challenging. The Department of Education has updated its advice for schools and local authorities because of a desire to ensure all children return to school fully.

Christmas Raffle – Hamper Items Needed!

Dear Families,

In the past, our hamper raffle has always been hugely popular and helps to raise invaluable funds for the school.

We are asking each class to create a hamper that can be won just before Christmas.

We would like the hampers to be full of a variety of items so please use your imagination. Remember that it doesn't have to be expensive and can be something that you find in the cupboards.

Some ideas are non-perishable festive food items: biscuits, chocolate, crackers, a bottle items.

Nursery & Reception:	Bags of Sweets
Years 1 & 2:	Cakes and Biscuits
Years 3 & 4:	Bottles of Drinks (non-alcoholic/alcoholic)
Years 5 & 6:	Chocolate

We would be grateful if the donations are sent into school starting from **Monday 11th November**. Boxes will be in your child's classroom where they can be dropped off!

As always, thank you in advance for your generosity and support.

Best Wishes.

Mrs Rachel Sablon

SCHOOL NOTICE BOARD

A review of absence procedures by the Department of Education is called for following the death of a 4 year old child in Hackney. We all have to be more vigilant and ensure daily calls are made if your child is absent so that we know your child and you are safe.

We have looked at our procedures for attendance and how we monitor and support families.

To ensure we support families before attendance becomes a concern we will be monitoring and sending letters at different stages:

If attendance falls between 96% - 90% you will receive a letter offering support. If it continues to fall and falls below 90%, which is considered to be persistent absence, then another letter will be sent and school, with support from the LA, will monitor.

If there is no improvement to attendance then a meeting will be scheduled. This meeting will be with the LA, A member of SLT and the school Social worker.

Unfortunately there may be times where school may have to issue a fine. We hope to prevent this by working with you.

Healthy Eating

For breaktimes snacks for Years 3, 4 5 & 6

Healthy snacks should consist of fruit, rice cakes, breadsticks. **Crisps, chocolate, biscuits, and popcorn ARE NOT classed as a healthy snack.** We are what we eat, healthy alternatives will be on offer daily.

What should be in a healthy lunchbox?

There are lots of ideas for a healthy lunch in a recent Zoe study podcast the link to the information is [here](#) please have a read or listen or watch.

We are what we eat and highly processed food for children can store health issues for their near and distant future.

We are also in for a treat when Macka B visits us and sings to us hopefully in his unique dancehall style about the power of food.

Pack your child a HEALTHY LUNCH BOX

Choose a variety of foods from each food group
