(Ofsted 2019 p64) makes clear there will be a focus on ‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’.

Under the Quality of Education criteria (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings, which should make your plans easily transferable between working documents.

Schools must use the funding to make additional and sustainable improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to publish details of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by 31st July 2021 at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#)

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Successful sports days for EYFS, KS1, LKS2 & UKS2 held in our pitch area. Prior to this KS2 sports days had been held in Bartlett Park. • Continued development with Premier sports to run after school sport provision. • Teachers have had the opportunity to work alongside and observe a PE specialist. • Weekly sports lessons for Years R - 6 • SEND sport through Poplar partnership • Sporting cluster with Tower Hamlets. • Continued use of mile a day. • Bikeability training for years 5 & 6 	<ul style="list-style-type: none"> ❖ Develop assessment of PE ❖ Upskill midday meal staff ❖ Further lunchtime sporting clubs to be offered to pupils. ❖ Entry to more Tower Hamlets sports for next academic Year. ❖ School curriculum map to be reviewed and developed. ❖ Develop sports leaders with support from specialist coaches ❖ To encourage identified “fewer active pupils” to join in with sporting activities. ❖ To create ‘hubs’ where multi activities can be accessed at playtimes during clubs and PE lessons ❖ Broaden the range of sports for children to engage in

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.	85 % - 63% (19)
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	80% - 60% (18)
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	85% - 73% (22)

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?

Funding for all KS2 classes to attend a term and a half of regular swimming throughout the year.
