

NEWSLETTER Friday 10th January 2025

Dear families,

Welcome back, to a wonderful new year. Our Epiphany started with Professor Paul Miller from the Institute of Social Equity. In a climate where poverty, crisis, division and fracture is prevalent along with a range of anxieties, ensuring school can and does include everyone, and we all belong from child to adult is important to us. We continued with a visit to the Houses of Parliament for a presentation by government leaders on social and emotional learning, especially with special educational needs and safeguarding and early years. One of the speakers summarised this as living well with yourself and others. There will be more on this as we go through because it is a golden thread in all we do.

A welcome to Demi Flaxton over from SPSL to support in our office and congratulations to Mr Dunford-Crozier on his appointment as Deputy Head teacher.

Wishing you a warm weekend,

*Mrs Smith
& Mr Hall*

SCHOOL NOTICE BOARD

Social and emotional learning with Leslie Uddin and Think Equal, in the Houses of Parliament. We know that the success is not down to how intelligent someone is thought to be but how emotionally intelligent they may develop to be. We develop our empathy and social skills as we grow and we have a specialised curriculum from nursery to year 6 to enable this. Our new SENDCo has expertise in social and emotional learning and behaviour and so we welcome Ms Wilcox to our school. If you feel that your child may be struggling, please reach out to us.

SCHOOL NOTICE BOARD

Hello all

My name is Louise Wilcox and I am delighted to be joining St Paul's with St Luke's and St Saviours as your new SENCo, and hoping to fill the role as well as Mr French has done.

Like all SENCOs my background is in teaching and I have worked in East London Schools Primary Schools since 2003. For the last ten years I have worked in Tower Hamlets as an Advisor, firstly with Cherry Trees Outreach Service and then with the Local Authority to support schools to make changes to for children who are struggling. I was also the SENCo at St Agnes School which some of you may know, it's good to be staying within the Diocese.

I will be holding coffee mornings soon to meet with any parent who would like to meet with me informally to discuss anything that may be concerning to you - or just to say hello. Details to follow.

In the meantime, while I try to get to know the children, their needs and the schools, if you need to contact me you can do it through the school admin email addresses and they will pass it on to me.

Looking forward to meeting you

Best wishes
